NTMA
WESTERN MASSACHUSETTS CHAPTER

22ND ANNUAL EDUCATIONAL GOLF TOURNAMENT

Thank You

Dear WMNTMA Member and Loyal Supporter,

On behalf of the Western Massachusetts Chapter of the NTMA (WMNTMA) and the Manufacturing Technology Departments of Westfield Technical Academy (WTA) and Career Tech Educational Collaborative (CTEC), thank you for your generous contribution and support of our 22nd Annual WMNTMA Educational Golf Tournament, held September 10th at St. Anne's Golf Course. The weather was perfect, and it was a great day.

This year's tournament was an incredible success. Together we raised **$22,411.58** for local manufacturing education. Here is where it is going:

$10,105.79 each
To both the Westfield Technical Academy and Lower Pioneer Valley Educational Collaborative manufacturing programs ($20,211.58 total)

$1,200
To the Rosie Robots League at Agawam High School

$1,000
Scholarship through the Larry Maier Memorial Educational Scholarship Fund, to be awarded soon

Because of your generosity, the Manufacturing Technology Programs at WTA and CTEC will continue to give students the technical skills they need for careers in precision manufacturing. That strengthens our industry and the entire Western Massachusetts economy.

We would also like to thank the incredible volunteers who spent the day at the registration table, selling raffle tickets, and staffing the hole-in-one contests. Thank you all.

Again, thank you for your continued support and commitment. We hope to see you on **Thursday, September 9, 2027**, at St. Anne's Golf Course for our next tournament.

With gratitude,
Western Massachusetts Chapter, NTMA
